Dear Gianni,

Praised be Jesus Christ!

I write to you from the Carmelite Monastery in Wisconsin, U.S.A. Yesterday I went to see the stained glass windows that you did for Fr. Richard Cannuli of the Transfiguration and Our Lady of the Burning bush. The nuns want you to know that we are VERY VERY HAPPY with the windows. They are everything we wanted and more!!!! Thank you so much for sending them to us before Christmas! Please extend our deep gratitude to Alberto for the beauty of the faces. Words could never express the joy that these windows brought to our hearts. God has gifted you with great talent, may he ever be glorified for the wonderful work you have done!

With loving gratitude in Christ,
Mother Mary Elizabeth of the Blessed Trinity, O.C.D. and all of the nuns
